Health workers warned against absenteeism

Bunyangabu RDC Sadiq Bakale has called for disciplinary action against health workers who abscond from duty. Mr Bakale made the remarks last Friday during a meeting at Kabonero Health Centre III in Kabonero Sub-county, where he called for the resignation of the in-charge, Mr Wilfred Natukunda, who reportedly missed 20 working days in December. The chief administrative officer, Mr Peter Nsungwa Ruhweza, said they would forward the names of indisciplined workers to the service commission for action. **[Alex Ashaba]**
