KAMPALA. About a year ago, Esther Aganyira won her first

overall title in golf at Entebbe Club and the feeling of a breakthrough was sweet.

At the weekend, Aganyira felt heaven after she picked up her third overall title at Entebbe by winning the April leg of the Monthly Tee tournament presented by MTN. Playing off handicap 26, Aganyira returned the best score of 61 nett to beat a field of 188 players at the par-71 course on Saturday.

"It's an ecstatic feeling that tops up the already joy obtained from the course itself," Aganyira told this paper.

"I can only keep doing my best. It's such a joy!" she said. Aganyira joined Entebbe Club in October 2023 after a lure from Jovia Tugume. "The journey has been so much fun, it's my place to be any day, the game,

the company and overall vibe is rejuvenating after long days at work. I have been challenging myself of the course and surprising me with amazing wins as bonus to the rest of enjoyment," Aganyira explained.

She first won the Monthly Tee event of February 2025 and at the end of the year, she took home the Order of Merit title.

Victory wasn't a guarantee for Aganyira on Saturday, especially against a packed field. "There is no day any golfer shows up expecting to win, golf is different every round, on every hole, and every shot."

She began her day with frustration after she could not find the shoes she has planned and only to recall that she had forgotten them at the club the previous Saturday.
