JT Lady Jaguars captain Sarah Ageno delivered a commanding all-round performance with seven points and 13 rebounds as her side returned to winning ways with a 47-28 victory over KCCA Leopards on Friday at YMCA Wandegeya.

The result ended the Leopards' unbeaten start to the 2026 National Basketball League season.

Sandra Ayikoru Wangeshi added seven points, six rebounds and six assists in a game where no player reached double figures, the first such occurrence this season.

"As the case should be, when you dominate an opponent to that extent, you ought to translate it into points, which was not the case. While the defence was dominant, we finished with only 47 points, shooting 24 percent from the field. We need to improve on that," Ageno said.

"The win serves as a strong response following our last result against JKL Lady Dolphins and ends the Leopards' unbeaten run. We now turn our attention to the next matchup, focused on building consistency and momentum," she added.
