KCCA women set

By Chrispus Baluku

KCCA Women's Volleyball Club has completed registration for the 2026 Women's African Club Volleyball Championship and has now turned its attention to preparations for the tournament in Cairo.

Club manager Catherine Echoku confirmed the team submitted all the required documentation before the February 28 deadline to secure their place in the competition scheduled for April 7–20. KCCA will represent Uganda alongside league champions Sport-S Volleyball Club.

The team heads into the championship with a change on the bench after head coach Shilla Omuriwe opted not to renew her contract. Assistant coach Edward Bwenje will lead the side.

Echoku said preparations are progressing well, with both the men's and women's teams training together to build confidence and improve defensive blocks.
